## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 35-50 and 52 are allowed.

The following is an examiner's statement of reasons for allowance:

The added limitation of "substantially" before "parallel" or "non-parallel" in the claims is understood to allow for minor inaccuracies due to manufacturing and not to broaden the meaning of parallel or non-parallel.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to George Manuel whose telephone number is (571) 272-4952.
